

Evaluation Criteria for Fall 2022 CMCMUN Tryouts:

Collaboration & Problem Solving	Demonstrates an understanding of interpersonal relationships. Works with others diplomatically to compromise on solutions and engage in relevant debate without sacrificing key points of their research position. Solicits input from others in an effort to find common ground. Showcases an awareness of group dynamics, accurately reflecting the group consensus to the entire room.
Leadership & Presence	Facilitates debate in an inclusive manner while inspiring camaraderie. Raises the level of debate by bringing out the best in others. Identifies group priorities and consolidates policy ideas in a cohesive narrative. Displays situational awareness and empathy by actively listening to their peers. Strives to lead on the basis of mutual respect. Rizz.
Public Speaking	Speaks clearly with observable presence and delivers a coherent and well-organized speech. Engages the audience through memorable speeches and strong eye contact.
Improvisation	Speaks with compelling rhetoric in response to a prompt or question when given little time to prepare. Quickly, decisively, and responsibly makes choices, weighs consequences, and takes risks on little to no notice.
Research & Policy	Demonstrates detailed knowledge of the topic, has clearly done ample research and prepared effectively. Knowledge of facts about the issue informs policy proposals in speeches and discussions.
